DISCLOSURE STATEMENT UNDER 37 CFR 1.56

SIR:

This paper is to bring to the attention of the PTO the following U.S. copending applications, all of which are related in different respects to organic electronic devices and/or method of making such devices such as transistors, diodes, integrated circuits and the like and/or related technologies. Many of these applications and the instant above-entitled application may have one or more common inventors.

This paper is submitted in compliance with MPEP 2001.06(b) and 2004. Paper copies of these applications as well as copies of applicants' copending applications cited in prior submitted Disclosure Statements are not required under MPEP 609.04(a) II and (c), wherein the requirement to submit copies to the PTO is waived. See the cited 1287 O.G. 163 (10/19/04).

The enclosed PTO 1449 lists related applications noted below. It is respectfully requested that the Examiner consider and make of record all of the cited applications listed in the enclosed PTO 1449 and in all prior submitted similar Disclosure Statements by initialing each item and returning a copy of the initialed paper to applicants.
